

TOWN OF CARROLLTON PLANNING BOARD

Minutes for April, 2014

Present: Bob Wood, Rolland Corbin, Linda Brown, Florence Fuller and Kriss Edwards. Julie Chartreau stopped by to say she could not stay as she had to go back to work for the evening so she was excused. (He gave her a copy of the Carrollton comprehensive Plan)

The meeting was opened at 5:00 PM by Chairman Wood.

There were some corrections on the minutes before they were approved: The start time of the previous March meeting was at 5:00 PM instead of 3:00 PM, and ended at 6:00 PM instead of 4:00 PM. Bruce Hudson had also been in attendance at the meeting it was noted, and in response to the upcoming meetings of the Cattaraugus county Comprehensive Plan, we only have to attend one of the four upcoming meetings. They were then approved by a motion made by Rolland Corbin and seconded by Florence Fuller.

Chairman Wood then noted that Julie Chartreau had been officially appointed to the Town Planning Board vacancy by the County Board. Southern Tier West will post the Zoning Fees on the web, and Julie Carlson will act on that post so it is covered legally.

At that time it was mentioned that one training would be in Houghton on May 7th. Florence Fuller and Kris Edwards are planning to attend that one. Also Chairman Wood, Florence Fuller and Linda Brown will attend the JCC training on June 29th.

Chairman Wood then brought up the discussion of the possibility of the Regatta that has been on of the items we would like to press forward on, and Rolland Corbin advised he will talk to Mike Soper and discuss that with him. Kris Edwards then said she would also talk with Kim Benjamin concerning the Regatta.

Our next meeting will be on May 20, 2014 at 5:00 PM.

The meeting was adjourned at 6:00 PM by a motion made by Florence Fuller, seconded by Rolland Corbin.

Respectfully submitted, Linda Brown
