

TOWN OF CARROLLTON PLANNING BOARD

Minutes for June, 2015

Present: Chairman Bob Wood, Linda Brown, ZBA Chairman Kris Edwards, Town Board members, Florence Fuller and Ralph Bottone.

Excused: Roland Corbin, Julie Chartreau

The meeting was opened at 5:00 PM by Chairman Wood.

Motion to accept minutes of the May 19, 2015 meeting will be done at the July 14, 2015 meeting.

Chairman Wood, Board member Linda Brown and Town Council member Florence Fuller attended the training session held by Cattaraugus County entitled "Erosion and Sediment Controls and Green Infrastructure Demo Day". All agreed it was very interesting and informative. Four (4) hours training credit was received by attending.

The Community Revitalization Fund was discussed. Councilman Bottone agreed that the idea of a park on the football field was not a good idea. The lack of supervision and remote location was his major concern that young residents would use it as a "hang out". The other alternative location for a park like setting would be by the existing playground or by the Veteran's Memorial. Either location would be more sensible and utilized by more residents. Chairman Wood commented that to pursue the funding available we should have four or five projects to consider. The grant needs to be inclusive to the enhancement of Limestone. Such as, sidewalks, signage, enhancing the Veteran's Memorial, a boat launch into Tuna Creek, a park like setting for residents to gather. Perhaps business people that have a vested interest in the community could also be involved in a project. Chairman Wood said he will also request input from Ginger Malak and Paul Bishop as they may have some good ideas for us to build on.

Member Linda Brown stated she has been in touch with Senator Cathy Young's office several times about the condition of Route 219 from Route 86 to the Pennsylvania line. The road is still in deplorable condition and she will continue to contact the Senator's office.

A notice of the open vacancy on the Planning Board will be sent to the Olean Times Herald, Bradford Era and our Town website. Everyone was asked if they had any recommendations to fill the position. Kris Edwards said she had someone that may be interested. Chairman Wood said to have them attend our July 14, 2015 meeting.

The meeting was adjourned at 5:55 PM made by Chairman Wood.

The next Planning Board meeting is scheduled for July 14, 2015.

Respectfully submitted,

Rosemary Fowler
