The Main Street bridge street lights are now working properly.

All of the edits to the original Land Use Management Plan have been made. A copy will be emailed to Paul Bishop and new copies will be available to each board member at the March meeting.

Chairman Wood reminded everyone that the required training hours for board member is 4 hours per 12 month period.

Member Linda Brown's term of office expired on December 31, 2015. To everyone's delight Linda agreed to continue to be a member of the Planning Board and signed the oath of office, term expiring on 12/31/2020.

Revitalization Project: An informal meeting date will be set up before the next board by Julie, Linda and Sandy to go over ideas and get cost estimates established for the project. Chairman Wood is going to also check to see if any of the items/material of interest in can be purchased through state contract (bid). Once there are some solid figures the final application for the grant process can begin. A target date of early to mid March was set for the completion of the first draft. It was also discussed that a definitive "theme" will have to be established. Also to be considered is local business input. Business owners should be contacted in the near future to see if they would be willing to contribute to the annual expense of flowers, planters etc.

The primary focus of the next meeting will be the Revitalization Project.

Motion to adjourn the meeting at 5:50 PM made by Linda Brown, seconded by Rolland Corbin.

Our next scheduled meeting is March 09, 2016 at 5:00 PM.

Respectfully submitted,

Rosemary Fowler
